

REMARKS

Applicant has amended the claims to attend to housekeeping and to place the Application in proper form for examination. Claims 1-9 now conform to US patent practice. Claims 1-9 were amended to remove multiple dependant claims and to attend to formal matters. Claim 9 is now recited as proper a method claim. Support for the amendments to claims 1-9 may be found in originally filed claims 1-9. New claim 10 recites an optional element originally presented in claim 1. It is believed that no new matter has been introduced by these amendments.

An early and favorable action on the merits is respectfully requested. The Commissioner is hereby authorized to charge any fee deficiency to Deposit Account No. 03-2060.

Respectfully submitted,

Richard P. Silverman, Agent for Applicant  
Registration No. 36,277
